Since 1986, the Wilmington-Cape Fear Home Builders Association has showcased the region's finest new homes through the Annual Parade of Homes™. This year marks the 40th Annual Parade of Homes™, and features over 60 single-family homes, townhomes, and custom built homes with a combined value of over \$50 million dollars in real estate. All of the homes are categorized by price and judged based on craftsmanship, quality of materials, and interior and exterior features.
